

# PHOTO/PUBLICITY PERMISSION

2020-2021 SCHOOL YEAR

The Lowell Joint School District (LJSD) is known for its outstanding and talented students. From time to time, the district would like to publicize their achievements for the purpose of positive public relations. Because these events and interviews are almost always needed at the last moment, we are requesting parental permission for the 2020-2021 school year, rather than on a case-by-case basis.

Please note that when the media is on campus, we cannot prohibit them from interviewing students or including them in photographs or news stories. This permission form is for the district to issue publicity.

- I **give** my permission for my child to be featured in district-issued publicity, including district publications, the district website, announcements and videos.
  
- I **do not give** my permission for my child to be featured in district-issued publicity, including district publications, the district website, announcements and videos. However, I **do give** permission for my child to be included in the yearbook, honor roll and other school-issued publicity.

If you do not give permission for your child to be photographed, please make sure that your child is aware of this decision.
