Good Evening Trojans!

This is Principal Jackson with important information about the week:

- Today marks the start of 2nd quarter and first quarter grades will be visible on your Aeries parent portal by Saturday. Keep in mind that parent-teacher conferences will take place October 24th through 27th which means minimum days with a 1:13 dismissal time. Teachers will be reaching out to families of struggling students for a conference. If your child is doing well but you still want to talk to the teachers, reach out anytime via email or phone to touch base with them.
- Don't forget about our Outdoor Equity Grant parent and student meeting tomorrow night at 6:00 p.m. at Meadow Green in the Multi-use. We need at least 10 parents in attendance to qualify for this amazing grant opportunity that our science teacher Mrs. Galli is facilitating.
- Come support our volleyball and football teams on Wednesday after school at Lake Center.
- Stoves on strike! Help support PTA and enjoy McDonald's for dinner on Wednesday from 4-8pm off Beach and Imperial in the Sam's Club center.
- There is a PTA meeting on Thursday at 6pm. A Zoom link will be shared on our social media, the PTA newsletter and the PTA link on the Rancho website.
- The 8th graders will be going to Disneyland in May for their 8th grade trip. Information was sent home last week and there are payment options available. There is a meeting on Thursday, October 19th at 7pm after the PTA meeting. If you would like to know more about the payment options we are offering for the 8th grade Disneyland trip, please plan to attend. A Zoom link will be distributed on our social media, the PTA newsletter and the PTA link on the Rancho website.
- The Reflections Program is underway! The last day to submit entries is Friday, October 27th. This year's theme is "I am hopeful because..."
- PTA will begin selling Boo grams for \$1 this week and they will be on sale Oct. 17th-19th and 24th-26th. All grams will be distributed on Halloween.
- The deadline to purchase Chromebook insurance is November 1st.
- We will participate in the Great Shake out earthquake drill on Thursday.

- All 8th graders will be visiting La Habra High School on Friday, October 27th for their annual field trip visit. Permission slips were collected during data confirmation so we will inform you if there is an issue preventing your child from attending.
- If your child is planning to dress up for Halloween on the 31st, please make sure their costume is school appropriate and abides by dress code. No masks or fake weapons are allowed on campus.
- Thank you to everyone who continues to follow our drop off and dismissal procedures. If everyone does their part, it will prevent frustration and accidents.

Have a great evening Trojans!
