Good Evening Trojans!

This is Principal Jackson with important information about the week:

- Grades are now visible in your Aeries parent portal. Please make sure you review your child's first quarter academic progress.
- Parent-teacher conferences will take place Tuesday through Friday this week which means minimum days with a 1:13 dismissal time. Teachers have been reaching out to families of struggling students to meet. If your child is doing well but you still want to talk to the teachers, reach out anytime via email or phone to touch base with them.
- Stoves on strike! Help support ASB and enjoy Chic Filet for dinner on Thursday from 5-8pm on Imperial Hwy in La Habra. Present this flyer to help raise money for our school.
- Our next virtual Parent University night is Thursday at 6:00 p.m. via zoom. A link will be sent out and the topic is drug prevention so this is definitely one not to miss.
- The Reflections Program is coming to close on Friday and projects are due by that day! This year's theme is "I am hopeful because..."
- Friday night is Junior High band night at the Sunny Hills HS football game being held at Buena Park High School.
- PTA will continue selling Boo grams for \$1 this week and they will be distributed on Halloween. If you want to order one as a parent for your child, please print this, fill it out, and bring it with \$1 to the school. PTA is also launching their Sees Candy fundraiser. Get an early start on your Christmas shopping while you support Rancho Starbuck PTA and order your Sees candy now! All orders can be completed online through December 1st and will be delivered by December 25th. Scan the QR code on the flyer to order.
- The deadline to purchase Chromebook insurance is November 1st.
- All 8th graders will be visiting La Habra High School on Friday for their annual field trip visit. We do not recommend sending your 8th grader to school if they do not want to attend the trip because all 8th grade teachers will be on the trip to chaperone. Students who come to school will have to sit in 7th grade classes for the day.
- If your child is planning to dress up for Halloween on the 31st, please make sure their costume is school appropriate and abides by dress code. No masks or fake weapons are allowed on campus.

Have a great evening Trojans!
