Good Evening Trojans!

This is Principal Jackson with important information about the week.

- Anyone who has not completed their math or ELA iReady diagnostic will be pulled before Wednesday to finish in our library.
- PTA would like to thank everyone who donated to the Clothing Drive last week. \$1,300 was raised for Rancho!
- There is a school site council meeting on Thursday at 3:30 p.m.
- Rancho will host its inaugural career day this Friday. Students will attend three sessions and learn from a wide variety of people in many career fields. We are grateful for the speakers participating and look forward to an amazing experience for our students.
- Due to unforeseen circumstances involving Imperial Middle School, our scheduled games for Friday at La Habra High School are officially postponed. As soon as we get a new date, we will communicate the plan.

Have a great evening Trojans!
