Good Evening Trojans!

This is Principal Jackson with important information about this week:

- This week is our first iReady diagnostic test in math for all students which will take place on Tuesday, Wednesday, and Thursday. Please talk to your child about meeting and beating their previous score so we can determine what they know and do not know in preparation for teaching, intervention, and our new Saturday schools.
- Back to school night is set for 6:00 p.m. this Thursday, August 31st under the tent in the center quad. You will visit all of your child's classes that evening in order. If your child has 0-period, that will be the very last class of the night. This event is for parents/guardians only, not students. Make sure you access your Aeries parent portal in advance to know your student's schedule. You will also receive your child's schedule and map in their first period class. There will also be a PTA membership table in the quad to join that evening. To help teachers prepare, school dismisses this day at 1:13 p.m.
- Our first PTA meeting of the year is tomorrow night, Tuesday at 6:00 p.m. in the library located right next to the office portable. Please come out to support.
- We are in need of two parents to serve on Rancho's school site council for the next two years. Complete this nomination form by tonight if you are interested in serving.

- Purchasing at Rancho has never been easier with our program called My School Bucks using this link. Sign up to process transactions online instead of sending money to the school. Buy your chromebook insurance through this program as well as elective class donations. <https://www.myschoolbucks.com/ver2/getmain.action>
- Remember that PTA is hosting a shoe fundraiser until September. Check your closets to donate any gently used athletic shoes. Each drop-off gate will have a box available on Fridays for you to donate.
- Thank you to everyone who has contributed to stocking our staff lounge. It is such a nice treat for staff to grab a cold drink or a snack throughout the day. If you want to bring any drinks or snacks, you can drop them off at the office any time.
- Remember, that there is no school on Monday in honor of Labor Day!

Have a great evening Trojans!
