Good Evening Trojans!

This is Principal Jackson with important information about this week:

- We would like to congratulate our music teacher Cameron Miller and our past and current wind ensemble students. Based on last year's competitive unanimous superior ratings and an intensive application process, Rancho has been selected to perform at the California State Festival in April. This means that our band is performing with the top 1% of bands in California. We are so proud of our musicians!
- Come support our volleyball and football teams after school on Wednesday at Los Nietos Middle School. Remember, if your child is an athlete, you need to arrange to transport them to the game because we do not have transportation available. Practices will be held on Tuesday and Thursday after school at Maybrook.
- Our counselor Miss Gardner is hosting a homework hall in her office every Tuesday until 4:00 p.m. Any student is welcome to come and get their work done in her office.
- PTA is selling popsicle tickets this week on Wednesday and Thursday at lunch for only \$1. Popsicles will be distributed at dismissal on Friday, September 29th. Also, this is the last week to donate athletic shoes for the shoe fundraiser.
- PTA will be distributing Reflections flyers to all students this week. The theme this year is "I am Hopeful because..." All projects are due on October 27th.
- Save the date for two upcoming events at La Habra High School. Our volleyball and football teams will play there on Monday, October 2nd at 7:30 p.m. Also, Friday, October 6th is junior High night at La Habra Football game and our band will be performing. See the flyers in your email for more information.
- Please remember that attendance matters and students must be in attendance to meet graduation requirements. We currently have an overall attendance rate of 96% and hope to increase that number by the end of the semester. Please try and schedule all necessary appointments at the end of the school day and only allow your child to stay home if they are legitimately sick.
- PTA has the goal of getting 300 memberships and we are only half way there! It is only \$11. Please visit this website to create an account and join online. There is a homeroom competition happening and the teacher and class with the highest number of memberships will be rewarded. <https://jointotem.com/>
- The deadline to purchase Chromebook insurance is November 1st. Don't miss this opportunity should anything happen to your child's device throughout the year. It is \$400 to fix a broken chromebook without insurance.

- Have a great evening Trojans!
